# Product Retirement Notice

**PRN #11-06**
**June 9th, 2011**

### Honeywell Announces End of Life Plan for
### Verification Product Line

This notice serves as formal communication of Honeywell Scanning & Mobility's intent to discontinue the following product(s) in NA, LA, and APAC (EMEA received the associated retirement notice on 12/1/10):

- QuickCheck 800
- QuickCheck 850
- QuickCheck 890
- QuickCheck 600

This retirement notice attempts to identify all SKUs affected by the discontinuation of the verification product line. It is possible that some part numbers were missed in the list provided. Honeywell reserves the right to include omitted SKUs if they are related to the products listed above, even if the SKU is not specifically listed in this notice. Those omitted SKUs are subject to the terms specified within this document. If you are unsure of a specific SKU, please contact your Honeywell representative for clarification.

This retirement notice completes Honeywell's exit from the verification business as two previous notices announced the retirement of verification devices. For reference, the retirement notices for those devices are listed as PRN # 10-14 and PRN # 11-02 (EMEA).

| Product Family | Part Number | Description |
|---|---|---|
| Mouse Scanners | 622302 | QCIW06V-PEN,6 MIL VIS RED |

| | 200000785FRU | QC890 LED PCB REPLACEMENT |

**Replacement Options:**

As Honeywell has made a strategic decision to exit the verifier business, Honeywell does not have a direct replacement available. However, the following products from another supplier may be found as suitable alternatives:

| QC800 Alternative | | |
|---|---|---|
| Company | Product / Model | Description |
| **Axicon** | POS Barcode Verifier (6000 series) | This series is aimed at verifying small size linear barcodes, (max 68mm), used in general distribution of retail products (EAN-13, EAN-8, UPC-A and UPC-E, GS1 Databar), on pharmaceutical products (Code 39, Italian pharmacode, code-128, RSS, Laetus Pharmacode*). |

| QC890 Alternatives | | |
|---|---|---|
| Company | Product / Model | Description |
| **Axicon** | Midrange Barcode Verifier (6500 series) | The Axicon 6500 Series barcode verifier is aimed at verifying small to medium size linear barcodes, (max 125 mm), used in general distribution of retail products (EAN-13, EAN-8, UPC-A and UPC-E, GS1 Databar, GS1-128, ITF-14 (max 95% magnification). |
| **Axicon** | Outercase Barcode Verifier (7000 series) | The Axicon 7000 Series barcode verifier is aimed at verifying large size linear barcodes, (up to 195 mm), used in general distribution of retail products (mainly GS1-128, ITF-14, pallet labels). |

To determine if an Axicon product is the right choice for your customer, please contact Axicon at http://www.axicon.com/productrange.html or sales@axicon.com.

# Product Retirement Notice

**Regions Affected:**

☒ Asia Pacific (AP)  ☐ Europe, Middle East, Africa (EMEA)

☒ Latin America (LA)  ☒ North America  (NA)

**Reason for Retirement:**

The verification platform is aging and the line no longer fits HSM's strategic direction. Additionally, many verification components are EOL, making sourcing very difficult.

**Timeline of Events:**

| | | |
|---|---|---|
| **Last Time Buy** | Honeywell will not accept hardware or service contract orders after this date | 29-Feb-12 |
| **Last Time Ship** | Honeywell will not ship product after this date | 31-Mar-12 |
| **Stock Rotation Request** | Honeywell will not accept requests for stock rotation after this date | 31-Dec-11 |
| **Stock Rotation Return** | Honeywell must receive all final stock rotated units by this date | 31-Jan-12 |
| **End of Service** | Honeywell will not offer spare parts or servicing of units after this date | 28-Feb-13 |

*\*\*Due to the limited supply of components to manufacture the verification systems, Honeywell may not be able to fulfill all orders. Product and part orders are on a first come, first served basis\*\**

**Service and Warranty:**

Honeywell will maintain our commitment to our customers by supporting and servicing discontinued product at all worldwide service centers throughout the life of all warranties in place, as long as the required parts are commercially available.

**Contact:**

Honeywell Scanning & Mobility is committed to providing you with a superior level of customer service. Please contact your Honeywell representative for additional information regarding this communication.
